

"It is my honor to recommend Gary and Doulos PM Training. I have been greatly benefited by PMP training and Risk Management **PMP Exam Prep, Risk Management, Advanced PM Training and MS Project 2007 training courses are highly interactive sessions** with focused approach aimed at producing quality results from dedicated professionals seeking either PMP certification or advance courses required for career growth and earning PDUs. Gary and his excellent fellow instructors always do a great job by sharing their knowledge, experience to deliver and identifying the student interests and knowledge. I highly recommend the classes at Doulos PM Training for PMP certification and Advanced Project Management Training."
